About Mike Garcia

Mike Garcia was born in April of 1951 in East Los Angeles. As a student at Cal State Northridge, Mike worked his way through college as a janitor, a key experience that would come to shape his life and passion as a fierce advocate for working families. Mike served as the president of SEIU-USWW between 1988 and 2014 where he led 40,000 janitors, security officers, and airport workers in the Justice for Janitors campaign; a movement that helped workers achieve a more just way of living and working. Since 2008, with the donations from individuals, employers, labor and SEIU-USWW, BSP has provided over \$400,000 in scholarships to students. We cannot do it without our supporters. It's your support that makes a real, lasting impact in the lives of those who are in need.
